CHANGED NAME OF HELL ROARING S. S.

Cleveland, Okla., March 12.—For years the people have not known that Oklahoma once had a "Hell Roaring Sunday School." Nevertheless, one did exist in Pawnee county for a short time in the first part of the twentieth century.

In the northwest part of Pawnee county there is a large creek which empties into the Arkansas river about ten miles above Cleveland. Before the Cherokee strip opened for settlement, and while Indians, cattlemen and hunters only roamed over the vast strip, one day some cowboys rode up to the stream after a heavy rain. The water had swollen the stream and the swift current plunged on with mighty roars. In consequence, the boys said that "hell was roaring." From that day on, the creek has been known as Hell Roaring.

After the homesteaders came, the whole community became known as the Hell Roaring community, around the creek. Even the school house became known as the Hell Roaring school house.

In 1900, the people decided that for the benefit and betterment of society they would organize a Sunday school. They held their meeting and organized. Then came the name. It was logical that the Sunday school should be named after the school house and community in accordance with the custom of the Sooners. The name "Hell Roaring Sunday School" carried by acclamation. About a month later, the members were very disappointed when the secretary read a letter to the effect that the name would have to be changed. No doubt the writer of the letter was mistaken in the meaning of the name.

J. WILLIAM COFFMAN EATS INFERTILE INCUBATOR EGGS

The pages of history are resplendent with deeds of daring and heroism of mortal man. A handful of Spartans held the pass at Thermoplae against the myriad millions of King Xerxes; Alexander the Great threw his Grecian phalanx against the mighty hosts of Asia and swept them from many battle fields; Crockett with a few score men fought Santa Anna and died in the Alamo as martyrs to the cause of liberty, sanctifying the walls of that old mission church with their blood, thereby urging Houston and his pioneer soldiers on to triumph at San Jacinto. But for cold-blooded, unmitigated nerve, J. William Coffman of Ada, goes all of them one better.

"I have made a great discovery," said the corpulent Bill as he came down town Tuesday with his chest thrown out with pride; "a discovery that will aid all poultry men in practicing economy. In examining my incubator eggs, out of over three hundred, I found fifty eggs that were infertile. By a thorough test I observed that not a speck appeared in them although they had been in the incubator twelve days and the fertile eggs alongside them showed to be full life. The question of what to do with this fifty nice, clear eggs came into my mind. They looked too good to throw away, so I decided to try eating them. My wife revolted at the idea, but my stomach is strong and I urged her to fry one or two as an experiment."

Here Bill stopped as bystanders appeared doubtful of his sanity or veracity, and sought to square himself. "I know you think I am lying, but these are facts. Nobody on the place will eat them except myself, but I have already cleaned up twenty-seven of them, and I find them good and my appetite for eggs continues good. I'll finish the balance of them in two more days, and I advise poultry raisers to quit throwing out their infertile eggs; they should not be so wasteful—eat them!" Bill has won either the dog or a Carnegie hero medal.

THE ROSS TRAGEDY

R. J. ROSS DIES AS RESULT OF HORRIBLE INJURIES—DETAILED TAIL OF TRAGEDY.

About 4:30 Tuesday afternoon R. J. Ross died from the shock following the fearful accident which tore off his left leg below the knee. As stated in Tuesday's issue, he was given prompt attention. The surgeons found it necessary to amputate the limb above the knee, but Mr. Ross passed away soon afterwards. His right leg was also broken and he was injured about the head. His son William's right leg was broken above the knee, instead of below as reported Tuesday.

Just how the accident actually occurred will never be known. Mr. Ross and two sons were operating the improvised stump puller, a stump being used to fasten the lever to and wind the cable around. William Ross was keeping up with the movement of the lever, scotching it with a crow bar when the strain was sufficient to slacken the speed of the horses. When the beam suddenly broke Mr. Ross was thought to have been stepping across the cable. It is believed that the flying piece of wood struck him from the front, breaking the bone in the leg and driving it back against the suddenly relaxing cable, which completed the bloody work of tearing off the leg and hurling it away. The severed member was found about 150 feet from where Mr. Ross was standing. His son, who was close against the lever near the end which was fastened on the stump, was not struck with such awful force and escaped with less serious injuries.

Terrible as his suffering must have been Mr. Ross did not lose consciousness for a time. He called to another of his sons who was driving the team, to bind up his severed member and stop the flow of blood although it is said that he suffered considerable loss of blood before this could be done. When others

FIERCE FIGHT IN MEXICO

FEDERALS GET BEST OF TWO DAYS BATTLE AT PARRAL.

El Paso, Tex., March 11.—Desperate fighting in an attack on Parral, Chihuahua, entailing a large loss of life in a fifty hours' battle, was reported in belated advices reaching here late today.

Some 1,500 Constitutionalists, rebelling against Huerta's Government in Chihuahua, were driven back by almost an equal number of Federal regulars, and the city, center of American mining and industrial interests, greatly damaged by bombardment and street fighting in which townspeople also engaged.

Insurrecto troops, who rebelled against the Huerta Government and left Parral last week after mobilizing and recruiting at Santa Barbara near by, returned on March 5 to retake the city. One thousand Federals from Chihuahua City and reinforced the 200 regulars at Parral.

On the afternoon of the 5th the in-

If you Value Your Eyesight, see An Expert Optometrist. I have spent 20 years preparing myself to perfect the refraction of the eye. My modern equipment, backed by this long experience is your Guarantee of Satisfaction. A. D. COON, Ramsey's Drug Store, Ada, Okla.

surgeons attacked and the battle continued until the evening of the 7th.

On the morning of the last day the rebels took the fortified hills surrounding the city, driving the federals to cover in the town. Col. Mercado, the garrison commander, and Col. Castro, who had brought the reinforcements from the state capital, called for volunteers to retake the outlying positions. Five hundred men responded and after charges and almost hand-to-hand fighting, drove the insurgents from the hills.

Then the Constitutionalists concentrated their fire on the southern section of the town, driving the city officials from their houses and killing many residents. At night the insurgents withdrew when pursued.

During the fighting mobs of townspeople rioted, burning the market place and attacking the banks. Volleys from the soldiers' ranks quieted the internal disturbances.

PASSENGER FARE BILL UP TO GOVERNOR

Oklahoma City, Ok., March 11.—Fate of the Vandeventer bill fixing the first-class passenger fare in Oklahoma at two and one-quarter cents per mile will be determined by 5 p. m. tomorrow, and if not vetoed by that time will either become a law with the governor's approval or without his assent. A long conference was held between Senator Vandeventer, Governor Cruce, George Henshaw, member of the Corporation Commission, and Attorney General West in the Governor's office concerning the measure, and the effect it would have on the pending two-cent litigation. It is considered the governor's opinion was against the bill for the reason it might jeopardize the state's position should it have to go to hearing on merits of the two-cent law. That law was enjoined by Federal Judge Hook and suspended on the state's appeal to the Eighth Circuit Court of Appeals.

Gov. Cruce's position is against the state entering another prolonged litigation unless there is information in the Commission's possession upon which the new rate could beyond question be sustained. According to members of the Senate both the Commission and the Attorney General's Department declared before a Senate committee that the two and a quarter cent rate could be maintained in court and under such belief many votes were added for the bill on final passage.

It has been suggested that the bill be withdrawn and further authority given the Corporation Commission to establish a passenger fare lower than three cents per mile. Debate in the House of Representatives when

SHAW'S

the Vandeventer bill was pending, brought out that the commission now had such authority, but was not exercising it. The Commissioners are not as certain on this point as members of the legislature appear to be, and doubtless will require specific legislative authorities before acting.

Another conference is to be held tomorrow, but the Senators indicated they would stand pat on the adopted rate. It is generally believed that the bill will be vetoed, and made subject of legislation during the extra session. It was learned tonight that the carriers regard the two and one-quarter cent rate a confession that the two-cent rate was wrong, and this would no doubt be brought forward should it become necessary to call the passenger rate into legal question again.

John Got Even.

A Cincinnati lawyer tells this of himself. He has a wife who talks back and she sometimes gets the worst of it. A few evenings ago he went home in a complaining humor. "That steak isn't cooked to suit me," he growled almost as soon as he had seated himself at the table.

"Well, cook it yourself," she replied. "You didn't marry a cook."

About the middle of the night she poked hubby in the ribs and yelled into his left ear. "Get up, I hear burglars in the house." Between snores John managed to say, "Get up yourself; you didn't marry a policeman."—Chicago Record-Herald.

"LIFETIME FURNITURE"

came to carry him to the house he was more concerned about his injured son than about himself. The News phoned to the house on hearing of the tragedy and was told that it was thought he would recover, but it was only a short time until he lay lifeless.

This tragedy has caused a great shock to the entire community. Mr. Ross had lived here almost from the beginning of the town's history, and no man stood higher in the estimation of the public. He was one of the best known contractors of this section and many of the best buildings of Ada were erected by him, for his well known integrity was a strong guaranty of his good work. He was a loyal member of the Masonic and Odd Fellow fraternities and he lived up to the teachings of these orders at all times, which in itself is a strong proof of the fact he loved his fellow man and lived according to the Golden rule.

The funeral and interment will probably take place Thursday, it being expected that his brothers living in Texas will arrive by that time.

BEAUTIFUL HAIR AT SMALL COST
A Simple Remedy Beautifies the Hair, Cures Dandruff, Stops Falling Hair.

What a pity it is to see so many people with thin, wispy hair, faded or streaked with gray, and realize that most of these people might have soft, glossy, abundant hair of beautiful color and lustre if they would but use the proper treatment. There is no necessity for gray hair under 35 years of age, and there is no excuse for any one, young or old, having thin, scraggly hair, either full of dandruff or heavy and rank smelling with excessive oil.

You can bring back the natural color of your hair in a few days and forever rid yourself of any dandruff and loose hairs, and make your hair grow strong and beautiful by using Wyeth's Sage and Sulphur Hair Remedy. For generations common garden sage has been used for restoring and preserving the color of the hair; and Sulphur is recognized by Scalp Specialists as being excellent for treatment of hair and scalp troubles.

If you are troubled with dandruff or itching scalp, or if your hair is losing its color or coming out, get a fifty-cent bottle of Wyeth's Sage and Sulphur from your druggist, and notice the improvement in appearance of your hair after a few days' treatment. Agents, Gwin & Mays Drug Co., Ada, Okla.—adv.

WHOLESALE SLAUGHTER OF HOUSE BILLS

Oklahoma City, March 12.—One hundred and sixty-one house bills that died on the calendar of the house Monday night were wiped off Tuesday morning, and nothing left before that body but seven or eight senate bills, most of which were disposed of in the course of the day.

This was in accordance with the concurrent resolution by which both houses agreed to devote the remainder of the regular session solely to business from the other branch.

Among the bills which died on the house calendar were several measures to extend, to annual and otherwise concerning school book contracts; free text book bill, anti-usury bill; fair primary law; the educational, penal and eleemosynary institutional appropriation bills that originated in the house; the bills to abolish secondary agricultural schools; a bill to prohibit false statements made to obtain credit; a bill to limit the amount of state or school lands leased for oil and gas purposes; the "mental anguish" bill; the senatorial redistricting bill; the chiropractic examining board bill; the bill to prohibit betting on horse races; the minimum wage law for women; the barber regulation bill; the bill to give the governor power to remove public officers failing to do their duty; the patent medicine bill—the latter a measure bitterly opposed by the druggists and most of the newspapers.

The question of adjournment of the regular session is still very uncertain. The house is practically through but the senate is not. The senate resolution to adjourn Thursday is consequently meeting with little favor among house members, since they want the senate to hold on until at least the important house bills sent over are disposed of.

You cannot clean off or whitewash over a stain on your character, advises Jerome; you must wear it off.—Commercial Appeal.

Look at this Dollars' Worth!

Underhose
CHATTANOOGA KNITTING MILLS

THERE is only one bigger dollars' worth in America than 4 pairs of Underhose for \$1.00, and that is our Special Underhose Value of 3 pairs to one box; Single pair 35 cts. We recommend them above any 35c stockings on the market. In fit, finish and appearance they are perfection, and have the same broad guarantee as protects all Underhose. You do not have to take any chance about their wearing quality. Do you know of any other 35c stocking that combines style, fit, finish and appearance, with a guarantee of satisfactory wear?

GUEST BROS.

NORMAL NOTES.
By Moke Cassidy.

Oh yes; Oh yes; Oh yes! The Young Women's Christian Association will give an old-fashioned, but brand new box supper at the Normal Saturday night, beginning at 8:30. The boxes will contain lunches for three but the rules permit only two to do the eating. Oh my! The number of boxes will be limited and the most interesting feature will be the wild scramble of the gentlemen for boxes. Old Sol is bringing the violets out from their hiding places these days. The buds are swelling and the campus will soon have a beautiful green carpet. We are proud of our campus, and Mr. Briles will spare no pains in making it the most beautiful school campus in the state.

The observation class visited the various rooms of the Willard school today for the purpose of making some observations.

The Seniors will begin practicing on their play this evening. The play is entitled The Peace Maker and is a thrilling presentation of modern industrial problems.

The following is a list of the new pupils enrolled this term: Neva Kenon, Roff; Octo Cannon, Nelta, Tex.; Annie York, Maud, Ok.; Neva Jones, Sherman, Tex.; Sallye Walsh, Ada; Lah Nelson, Wapanucka, Ok.; Della Frank Pennington, Franks, Ok.; Beu-Lett, Dustin, Ok.; Everett Reed, Ada; John Garrison Hanna, Ok.

Dr. H. D. Fillmore returned Sunday night for the Border hospital at Mangum, Okla., where he successfully underwent an operation for appendicitis. The doctor is feeling fine although he has lost considerable flesh.

ECHOES FROM COALGATE.
Coalgate Happenings Always Interest Our Readers.

After reading of so many people in our town who have been cured by Doan's Kidney Pills, the question naturally arises: "Is this medicine equally successful in our neighboring towns?" The generous statement of this Coalgate resident leaves no room for doubt on this point.

S. R. Barnes, Coalgate, Okla., says: "For a couple of years I was bothered by sharp pains across my kidneys and too frequent passages of the kidney secretions. I had to get up several times at night. I took medicine but nothing benefited me until I got Doan's Kidney Pills. A couple of boxes made a permanent cure. I endorse Doan's Kidney Pills even more highly now than I did when I gave a testimonial before."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

THE BOY AND THE NEWSPAPER
One evening a boy came to his father as he was reading the NEWS, and told him that he was going to quit learning geography, as there was nothing interesting in it.
So the father said, "You're going into business after you leave school?"
"Sure," replied the boy eagerly, taking for granted that there was no more geography for him.
"Well, here's what a business man writes today," and he turned to an advertisement about Oriental Rugs, in which the life of the Orient was vividly portrayed.
"What do you think of that?" he queried.
"Bully," answered the boy. "Now, that's geography." The boy looked dismayed.
"There's more to geography," continued the father, "than names of places. You find out why we send to Italy for silks, to Germany for toys, and why other nations come to buy from us."
Read the advertisements in the NEWS closely and constantly every day for the most important news. They will tell you where to buy to best advantage. Encourage your boys and girls to follow them carefully and gain a knowledge of the romance of business.

Also at same time bids will be received for the heating, plumbing and wiring to be installed in above residence. All subject to above conditions. 288-3t

FELT BAD ALL THE TIME

Shellhorn Lady Suffered a Great Deal, But Is All Right Now.

Shellhorn, Ala.—In a letter from this place, Mrs. Carrie May says: "A short time ago, I commenced to have weak spells and headaches. I felt bad all the time, and soon grew so bad I couldn't stay up. I thought I would die. At last my husband got me a bottle of Cardui, and it helped me; so he got some more. After I had taken the second bottle, I was entirely well."

I wish every lady, suffering from womanly trouble, would try Cardui. It is the best medicine I know of. It did me more good than anything I ever used."

Cardui is a woman's tonic—a strengthening medicine for women, made from ingredients that act specifically on the womanly organs, and thus help to build up the womanly constitution to glowing good health.

As a remedy for woman's ills, it has a successful record of over 50 years.

Your druggist sells it. Please try it. N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

LITTLE GWENDOLYN

M' CARTY DEAD

This morning at 9 o'clock little Gwendolyn McCarty, daughter of Mr. and Mrs. J. M. McCarty, died at the home of her grandfather, A. T. Trimm two miles south of Ada. The little one was but three and one-half years old, but this brief span of life was sufficient to make a place in the hearts of her parents and grandparents that nothing can ever fill. The child chewed some matches a week ago and the poison proved too much for the frail little body to throw off. The family has the sympathy of a host of warm friends.

OTIS WEAVER ON

ROAD TO RECOVERY

Mr. Perry's numbers were played with a precision of touch and a brilliancy of execution seemingly incredible in one deprived of sight, and kept the audience spellbound by the depth of feeling and wealth of tonal coloring instilled into them.—Dresden Guide.

ATTENTION I. O. O. F. There will be a call meeting of the I. O. O. F. Lodge tonight at 7 o'clock to make arrangements for the funeral of our deceased brother, R. J. Ross. F. C. VOGAN, N. G. JESSE WARREN, Sec'y.

The news from Otis Weaver continues to be highly encouraging. The latest advice is to the effect that his complete recovery is thought to be only a matter of days, as he is growing steadily better. More than four days have elapsed since the operation from which it is inferred that the crisis has been passed.

ZORN WILL GIVE AWAY SHADE TREES

Friday will be Arbor Day throughout Oklahoma, and as usual the schools will observe the occasion. To encourage the work of planting trees C. W. Zorn, the nurseryman, will give a tree to every pupil in the schools of Ada, which may be planted either on the school grounds or at the home of the child. This means the distribution of some 1,300 or more trees, which is certainly no small item. A few years more and these trees will give Ada a much more beautiful appearance than it presents today. The trees will be in charge of the respective teachers who will distribute them to the pupils.

Figures of Youthful Grace

Every woman, whatever her size, may possess the graceful lines and elastic poise of youth, by wearing the Warner's Rust Proof Model, designed for her special type of figure. All the art of the modiste and couturiere is wasted on the woman who seeks to achieve a fashionable appearance while neglecting her corset.

The corset is the foundation of style and nevermore so than this season, with long, straight lines again, essential for the setting off of fashion's Draperies. Call in and ask to see our line of Warner's Rust Proof Corsets, and Brassieres.

SECOND DOOR FROM POSTOFFICE

Stork and Cupid Cunning Plotters

Many a New Home will Have a Little Sunbeam to Brighten it.

There is usually a certain degree of dread in every woman's mind as to the probable pain, distress and danger of child-birth. But, thanks to a most remarkable remedy known as Mother's Friend, all fear is banished and the period is one of unbounded, joyful anticipation.

Mother's Friend is used externally. It is a most penetrating application, makes the muscles of the stomach and abdomen pliant so they expand easily and naturally without pain, without distress and with none of that peculiar nausea, nervousness and other symptoms that tend to weaken the prospective mother. Thus Cupid and the stork are held up to veneration; they are rated as cunning plotters to herald the coming of a little sunbeam to gladden the hearts and brighten the homes of a host of happy families.

There are thousands of women who have used Mother's Friend, and thus know from experience that it is one of our greatest contributions to a healthy, happy motherhood. It is sold by all druggists at \$1.00 per bottle, and is especially recommended as a preventive of caking breasts and all other such distresses.

Write to Bradford Regulator Co., 131 Lamar Bldg., Atlanta, Ga., for their very valuable book to expectant mothers. Get a bottle of Mother's Friend to-day.

BALLARD IMPEACHMENT

TRIAL MARCH 19

Oklahoma City, Ok., March 11.—Sitting as a court of impeachment, the Senate today fixed Wednesday afternoon, March 19, to begin the trial of Perry A. Ballard, State Insurance Commissioner, articles of impeachment against whom were filed by the House of Representatives last week. If by that date the regular legislative session has been adjourned, and a special session is in progress a resolution will be passed through the Houses authorizing the senate to hear the testimony without regard to the changing of the sessions.

In the response filed by McAdams and Haskell, attorneys for Ballard, the claim of immunity against impeachment upon the charges as filed, will be presented. This will be argued before the senate on the afternoon of March 18, and if not sustained the trial will begin the following day.

Dr. R. D. Love Reported Dying. Oklahoma City, March 12.—News has been received here that Dr. R. D. Love, brother of Jack Love, chairman of the corporation commission, is dying of Bright's disease at Mineral Wells, Tex. Chairman Love has been at the bedside of his brother for several days and writes that there is no hope of recovery.

Dr. Love as prison physician at the McAlester penitentiary filed charges against Warden Dick about two years ago, but they were investigated by the legislature and the warden was exonerated.

The former prison physician also shot and killed a druggist at Hugo, about a year and a half ago, alleging that he had wrecked his home. He was acquitted on that plea.

COMMERCIAL CLUB WILL MEET THURSDAY EVENING

The Commercial Club of Ada will hold its next meeting at the city hall Thursday evening at 7.45. It is important that an organization of this kind meet frequently, both because the necessity of keeping posted on what is being done and what needs attention, and to keep alive the interest of all members. No man ever took much interest in anything unless he was thoroughly informed of every movement. At the meeting for tomorrow evening a number of questions demanding attention will be taken up and considered.

This Date in History.

1820—Six Alexander Mackenzie, discoverer of the Mackenzie river, died in Scotland. Born in Scotland about 1755.

1825—Pasturing cows on Boston Common forbidden.

1833—United States Pension Bureau established.

1835—Dr. Simon Newcomb, famous astronomer, born in Wallace, Nova Scotia. Died in Washington, D. C., July 11, 1909.

1854—England, France and Turkey formed a triple alliance against Russia.

1881—Assassination of Emperor Alexander II. of Russia.

1903—Czar issued a decree granting religious freedom in Russia.

1912—Attorney General Wickersham asked the Supreme Court to dissolve the merger of the Union Pacific and Southern Pacific railroad systems.

For Sale or Trade: Desirable farm lands for cash, or will exchange for property. We do not misrepresent. Phone 133. Brians, Means & Angel. 287-1f

Uncle Rube.

A great many people doubtless remember the famous play, "The Comrades," that was given by the Players at the Normal more than a year ago. This same organization will stage another play, "Uncle Rube," next Tuesday night. This play is a rural comedy by Charles Townsend. It is the kind that makes people laugh and at the same time contains a strong plot of human interest and human emotion.

The best talent obtainable is in the play. There will be none of the cheap monkey action or childish performances in order to hold the attention of the crowd. Each part will be interpreted with the most astute sense of personal interest and human nature. Miss Spriggs, Margaret Cameron, Professors Cox, E. C. Wilson and Little, Hugh Biles, Glenn Harden, Aubrey Huber, Claude McMillan, Roy Robison and Harvey Black are all artists in their line. Each one was chosen because he is suited to the character he will portray.

A resident of Oklahoma City who was here and heard "The Comrades" said that he considered the play as good as many he had paid \$1.50 and \$2.00 to see in the Overholser. All who have read and seen the rehearsals of "Uncle Rube" say that it is much superior to "The Comrades."

Remember the date and do not make other arrangements for that night. If you miss this you will certainly regret it. Tuesday, March 18 is the date, and 8.15 p. m. is the hour.

Music will be furnished by the Normal orchestra.

VINOL HELPS OLD PEOPLE

Here Is Proof That It Creates Strength.

So many cases like this are constantly coming to our attention that we publish it for the benefit of others.—Mrs. James McCormick of Coahoma, N. Y., says: "My mother is an elderly lady and after having pneumonia she did not seem to recover her strength. She was so weak it was about as much as she could do to get from her room into the living room. Her strength seemed to be all gone. I commenced to give her Vinol and in less than a week she was like a new woman. She had regained her strength so she could get around anywhere."

It is the medicinal curative elements of the cod livers without oil aided by the blood-making and strength-creating properties of tonic iron which are contained in Vinol that makes it so efficient in such cases.

If you have an aged father, mother or anyone in your family who needs a strength-creating tonic, try Vinol on our offer to give back your money if it fails to benefit. Gwin & Mays Drug Co., Ada, Okla.

P. S. For itching, burning skin try our Saxo Salve. We guarantee it. Adv.

DR. PRICE'S CREAM Baking Powder

Purity in food, lower cost of living—these are the demands of the day.

Pure food is health, and health is economy itself. We cannot have health without healthful food.

The most healthful foods are the quickly raised flour foods—biscuit, cake, muffins, crusts and other pastry, when perfectly made from wholesome ingredients.

Dr. PRICE'S baking powder makes these foods in specially attractive, appetizing and wholesome form, and for both economic and hygienic reasons, such food should be more largely substituted for meat in the daily diet.

But bear in mind that alum, or unwholesome baking powder, can never make pure, wholesome food.

No Appeal in Case of T. L. Foster.

It is stated that T. L. Foster, sentenced to a term of six years for participation in the Francis bank robbery, will not take an appeal, but will serve his sentence. The Italian, De Gino, will endeavor to appeal his case, however.

Miss Emma Meadows, who has

been employed for some months past as stenographer for the Home Title Guaranty Co. and the F. F. Brydian real estate and loan agency, returned to Chickasha this afternoon. Miss Meadows made many warm friends at Ada and their best wishes go with her.

CHILDREN ALL SICK WITH COLD.

COUGHING, FEVERISH, AWAKE ALL NIGHT

Use Pure and Pleasant Dr. King's New Discovery. Relieves the Cough, Loosens the Cold, Promotes Rest and Sleep.

When your family is visited by a cold epidemic and your home seems like a hospital, your children all have colds, cough continually, are feverish and restless at night, sleep little and then not the sound, refreshing sleep children need. You yourself are almost sick and awake most of the night, caring for them. You need Dr. King's New Discovery.

It quiets the children's cough instantly. It is pure and pleasant. Children like it. By relieving the cough promotes sleep and gives you and the children the much needed rest.

Get a bottle of Dr. King's New Discovery from your druggist. He

will refund your money if it doesn't give relief.

W. H. Knowles, of Osco, Ill., writes: "We have given Dr. King's New Discovery the most thorough tests for coughs, colds and various bronchial troubles for six years, and have never found it to fail."

Get a bottle of Dr. King's New Discovery from your druggist. He

will refund your money if it doesn't give relief.

THE THIEF WHO ENTERED HAYNES' STORE

—AND TOOK SUCH A LIBERAL SUPPLY OF VARIOUS ARTICLES, COULD NOT HAVE MADE A BETTER SELECTION AS TO QUALITY OF GOODS HAD HE HAD DAYLIGHT TO AID HIM IN HIS OPERATIONS, AND ALL THE HARDWARE STOCKS IN THE COUNTRY TO SELECT FROM.

The thief's first piece of business was to enter the Cutlery case and appropriate an armful of Keen Kutter pocket knives—a brand of goods that has made for itself a good reputation wherever knives are used.

The Gun department paid its share of toll, also. Several Hopkins & Allen shot guns and some double-barrel L. C. Smith guns—the peers of all gunland were taken. Also a 22-caliber winchester rifle was stolen.

THIS LOSS, HOWEVER, DOES NOT LEAVE THIS STORE WITHOUT A LARGE STOCK IN THESE LINES. WE HAVE LOTS OF 'EM. IN ADDITION TO THESE, WE HAVE A LINE OF HARDWARE, FARM IMPLEMENTS AND HARNESS THAT COMMANDS THE UNDIVIDED ATTENTION OF EVERY MAN WHO VISITS OUR STORE.

Call and see us; we'll always have something to show you. If our stock is all stolen we'd buy more goods.

R. E. HAYNES

"THE HARDWARE MAN"

ADA, OKLAHOMA
